

We're Moving!

Sector Asset Management and associated companies are excited to announce that we are moving premises on the 23rd of December.

Sector Asset Management and associated companies are excited to announce that we are moving premises on the 23rd of December.

As our lease at Filipstad Brygge has come to an end, we have found a new home at the top of one of Oslo's most exciting new buildings in the centre of Oslo, the KA15, in the midst of the Tullin quarter.

The Tullin quarter is a vibrant area right in the heart of Oslo. Facing Kristian Augusts gate and the University, the KA15 is within a five-minute walk of the Nationaltheatret station with the Airport express train, and close to numerous restaurants, cafés and hotels. Aker Brygge is reached within a ten-minute walk.

The KA15 is a BREEAM Excellent certified building, built with sustainable materials and reduced energy consumption.
