

# Welcome to Sector Asset Management's Fund Portal

---

*Here you can access up-to-date information about our investment partners' strategies*

Welcome to our new Fund Portal!

On the portal you will find information about our investment partners' strategies. The information is updated regularly, so everything is accurate and up to date. You can also access full past performance on the funds, a comprehensive virtual data room, and our monthly commentaries. You are also welcome to directly communicate with us, and request additional information from within the portal. We aim to be as transparent as possible with our investors and prospects, which is why we prefer releasing information to you this way.
