Warning against investment offers marketed through a fraudulent website for Incentive Investment Funds Plc

We have been informed that a clone of Incentive Investment Funds Plc is unlawfully marketing and offering investment services through the website <https://incentiveinvest.com>. Neither Incentive Investment Funds Plc, nor its AIFM (Incentive AS) has any connection to the website, and the website is using false contact information for the fund structure without permission.

The matter is being reported to relevant authorities.

For the sake of good order, we hereby remind all existing and potential investors that the only legitimate and official website of Incentive AS is www.incentive.com.

For the wider Sector Asset Management group, and its affiliates, the only legitimate and official websites are: www.sector.no, www.sectorgamma.no, www.sectorgamma.com, and www.cusanacapital.com.
